How to Join Pilgrim

Desire Membership at Pilgrim? Here's the Process

We're glad to hear about your interest in the family of faith at Pilgrim. If you would like to become a member of the congregation, there are two ways to join our church.

If you are not presently a member of another Lutheran Church Missouri Synod (LCMS) congregation, you can join Pilgrim by attending our Inquirer's Class. We teach this class every month. The class has four sessions of material, and you can complete those sessions in any order. Each class is four hours in length and is typically held on a Saturday morning. Child care is available on request. We regularly hear great comments on this class from our new members. Class information is always available for you on the website, in the monthly newsletter and in the weekly bulletin. Please contact the ministry office by phone (965-2233) or by email: ruthschultz@pilgrimluth.org if you'd like to be added to our monthly email class reminder. Once you've completed the class, we will include you in our next new member orientation evening and welcome you to the Pilgrim family.

If you are presently a member of another Lutheran Church Missouri Synod (LCMS) congregation, you can join Pilgrim by requesting a "transfer" of membership from your home congregation. Once we receive your transfer, we will include you in our next new member orientation evening and welcome you to the Pilgrim family. Please contact the ministry office by phone (965-2233) or by email: ruthschultz@pilgrimluth.org if you'd like to be added as a member through transfer.
